DISTINCTIVE WATERFRONT RESIDENCES IN OLD TOWN ALEXANDRIA

Robinson Landing Construction Update

Dear Friend,

The following is a list of construction activities expected to occur in the next two weeks.

Potential Activity: November 26 - December 7

- Concrete operations - Concrete and material deliveries will continue on an ongoing basis through the completion of concrete operations in July 2019.
 - Concrete pours are scheduled for the week of November 26 and the week of December 3. Actual dates are in flux due to weather conditions. All staging for these pours will occur onsite and no parking restrictions or partial lane closures are expected.
- Ongoing work on the townhouses on Duke Street and South Union Street, including interior and exterior finishes.

- Hardscape (sidewalks/pavers/curbs) along Duke Street.
- Vibration monitoring continues to confirm construction activities are not generating excessive vibration. Documentation of monitoring activities is posted on the Robinson Landing [website](#) monthly.

Please visit the Robinson Landing [construction website](#) for additional information about the project and to sign up to receive future construction updates electronically.

Sincerely,

The Robinson Landing Construction Team
